## Introduction

The Corpus Christi International Airport (CCIA), as a recipient of Federal financial assistance and under Title VI of the Civil Rights Act of 1964 and related statutes, ensures that no person shall be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination or retaliation under any federally or non-federally funded City programs or activities administered by the City or its contractors on the basis of race, color or national origin.

This policy establishes a procedure by which persons may file a complaint alleging discrimination in CCIA's provision of services, administration of programs, or activities. These prohibitions extend from the Corpus Christi International Airport, as a direct recipient of federal financial assistance, to its sub-recipients (e.g., contractors, consultants, local governments, colleges, universities, etc.). All programs funded in whole or in part from federal financial assistance are subject to Title VI requirements. The Civil Rights Restoration Act of 1987 extended this to all programs within an agency that receives federal assistance regardless of the funding source for individual programs.

This policy is intended to establish a procedure under which complaints alleging discrimination in CCIA'S provisions, services, or CCIA activities can be made by persons who are not employees of CCIA.

Any person who believes CCIA, or any entity who receives federal financial assistance from or through CCIA (i.e., sub-recipients, sub-contractors, or sub-grantees), has subjected them or any specific class of individuals to unlawful discrimination may file a complaint of discrimination.

CCIA will follow timelines set forth in guidance from the Department of Transportation, the Federal Highway Administration, Federal Transit Administration and the Department of Justice for processing Title VI discrimination complaints.

## When to File

A complaint of discrimination must be filed within 180 calendar days of the alleged act of Discrimination, or discovery thereof; or where there has been a continuing course of conduct, the date on which that conduct was discontinued. Filing means a written complaint must be postmarked before the expiration of the 180-day period. The filing date is the day you complete, sign, and mail the complaint form. The complaint form and consent/release form must be dated and signed for acceptance. Complaints received more than 180 days after the alleged discrimination will not be processed and will be returned to the complainant with a letter explaining why the complaint could not be processed and alternative agencies to which a report may be made.

Corpus Christi International Airport  
Assistant Director of Aviation

## Incomplete Complaints

Upon initial review of the complaint, the Assistant Director will ensure that the form is complete and that any initial supporting documentation is provided. Should any deficiencies be found, the Assistant Director will notify the complainant within 10 working days. If reasonable efforts to reach the complainant are unsuccessful or if the complainant does not respond within the time specified in the request (30 days), the recipient may close the complainant's file. The complainant may resubmit the complaint provided it is filed within the original 180-day period.

Should the complaint be closed due to lack of required information, CCIA will notify the complainant at their last known address. In the event the complainant submits the missing information after the file has been closed, the complaint may be reopened provided it has not been more than 180 days since the date of the alleged discriminatory action.

## Records of Complaints

The Assistant Director will keep a record of all complaints received. The log will include such information as:

- Basic information about the complaint such as when it was filed, who filed it, and who it was against.
- A description of the alleged discriminatory action.
- Findings of the investigation.

## Complaint Process Overview

The following is a description of how a discrimination complaint will be handled once received by CCIA.

### 1. A complaint is received by CCIA:

Complaints must be in writing and signed by the complainant or their designated representative. If the complainant is unable to complete the form in writing due to disability or limited-English proficiency, upon request reasonable accommodations will be made to ensure the complaint is received and processed in a timely manner. Complainants wishing to file a complaint that do not have access to the Internet or the ability to pick up a form will be mailed a complaint form to complete. The complainant will be notified if the complaint form is incomplete and asked to furnish the missing information.

### 2. Complaint is logged into tracking database:

Completed complaint forms will be logged into the complaint tracking database; basic data will be maintained on each complaint received.

### 3. Determine jurisdiction:

CCIA's Assistant Director will complete an initial review of the complaint. The purpose of this review is to determine if the complaint meets basic criteria.

Criteria required for a complete complaint:

- Basis of alleged discrimination (i.e., race, religion, color, national origin, sex, age or disability).

- 
- Determination of timeliness will also be made to ensure that the complaint was filed within the 180 day time requirement.
  - The program in which the alleged discrimination occurred will be examined to ensure that the complaint was filed with the appropriate agency. During this process, if a determination is made in which the program or activity that the alleged discrimination occurred is not related to a CCIA program or activity, every attempt will be made to establish the correct agency. Whenever possible and assuming consent was granted on the Consent/Release form, the complaint will be forwarded to the appropriate agency.

**4. Initial written notice to complainant:**

Within 10 working days of the receipt of the complaint, CCIA will send notice to the complainant confirming receipt of the complaint; if needed the notice will request additional information, notify complainant that the activity is not related to a CCIA program or activity, or does not meet deadline requirements. Conclusions made in step three will determine the appropriate response to the complaint. Examples of response letters are located in Appendix A. If any additional information is needed from the complainant, it will be communicated at this point in the process. A copy of the written response, as well as the complaint form, will be forwarded to the U.S. Department of Transportation, Federal Aviation, Office of Civil Rights, and Contract Compliance Section for informational purposes only within 15 days of receipt.

**5. Investigation of complaint:**

The Assistant Director will confer with the Department's Director to determine the most appropriate fact finding process to ensure that all available information is collected in an effort to reach the most informed conclusion and resolution of the complaint. The type of investigation techniques used may vary depending on the nature and circumstances of the alleged discrimination. An investigation may include but is not limited to:

- Internal meetings with CCIA staff and legal counsel
- Consultation with state and federal agencies.
- Interviews of complainant(s).
- Review of documentation (i.e., planning, public involvement, and technical program activities).
- Interviews and review of documentation with other agencies involved. Review of technical analysis methods
- Review of demographic data

**6. Determination of investigation:**

An investigation must be completed within 60 days of receiving the complete complaint, unless the facts and circumstances warrant otherwise. A determination will be made based on information obtained. The Assistant Director, Department Director and/or designee will render a recommendation for action, including formal and/or informal resolution strategies in a report of findings to the CCIA Director of Aviation.

**7. Notification of determination:**

Within 10 days of completion of an investigation, the complainant must be notified by the CCIA Director of the final decision. The notification will advise the complainant of his/her appeal rights with state and federal agencies if he/she is dissatisfied with the final decision. A copy of this letter, along with the report of findings, will be forwarded to the U.S. Department of Transportation, Federal Aviation, Office of Civil Rights, and Contract Compliance Section.

---

**8. Copies to FAA:**

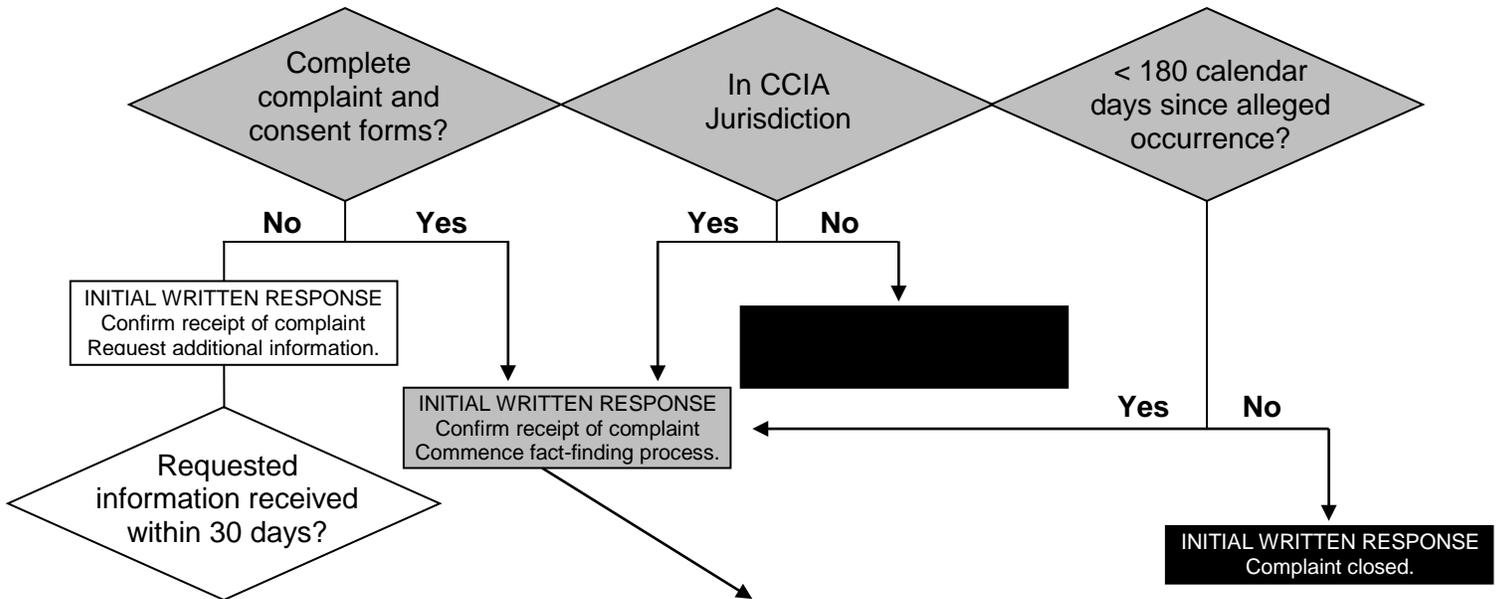

The Assistant Director will, within 15 days of receipt, forward to the Federal Aviation Administration a copy of each written complaint charging discrimination because of race, color, sex, creed or national origin, together with a statement describing actions taken to resolve the matter, and the results thereof.
